COMMUNITY HEALTH CHAMPIONS

Walk-in clinics help you to stay well this winter

Vaccinations are the most effective way to prevent illnesses like COVID and flu.

By getting vaccinated you are protecting yourself and your loved ones by stopping the spread of harmful and potentially deadly illnesses.

We want you to have all the information you need about vaccinations for babies, children, and adults, including where to get them.

If you're eligible, you can attend a walk-in clinic without an appointment and you may be able to get your flu vaccine at the same time.

Flu vaccines are available to people aged 65 and over and to people aged 18 - 65 with certain health conditions.

COVID vaccinations are available to people aged 75 and over and those with certain health conditions.

COVID-19 vaccination walk ins

- **Thursday 15th October 9.30am - 12 noon - Hanley Chatty Cafe, Reginald Mitchell Court, Stubbs Lane.**
- **Thursday 15th October 2.15pm - 4:00pm - Willow Barns Retirement Village, Consett Road, Blurton.**
- **Monday 19th October 10:00am - 12 noon - Temple Street Methodist Church and Community Centre, Fenton.**
- **Tuesday 20th October, 9:00am - 1:00pm - Longton Community Fire Station, 266 Uttoxeter Road.**
- **Tuesday 20 October, 10:00am - 12 noon - Swan Bank Square, Burslem.**
